- FCF- A lot of feedback forthcoming, the general opinion being that the French Car display was too far away from the festival this year and poorly advertised. Members were not happy with cars being displayed in a carpark environment.. Only 1 Dealer (Renault) had a display. In general enthusiasm amongst Peugeot owners is waning. Members are considering being involved with Bonjour Perth at all or returning to the French Car Festival of old, with a return to Claremont or Guildford as preferred venues.
